

ARRA 14/ ARRA MYSTIC BLOOM™

Features:

Type:	Black Seedless
Harvest time:	Early mid-season
Taste:	Sweet neutral
Texture:	Firm and fleshy
Berry size:	20-22 mm
Fertility:	Good

Cultivation:

Pruning:	Half long bearers (7 buds)
Thinning:	With poor set conditions apply 1.0 ppm GA at 110% flowering
Sizing:	Apply 15 ppm GA at 6-7 mm
Crop load:	56 000 bunches/ha
Bunch size:	70-80 berries/bunch
Ethephon:	Apply 2 x 40 ml/100 litre water at 5% colour. In the Orange River region 2 x 50 ml

General:

- Good shelf life and moderately resistant to rain
- Susceptible to water berry
- May develop uneven berry size
- Moisture stress and a too heavy crop load, can result in berry shatter
- Berries have a nice bloom

Table Grapes
