

# Fuji Brak/KIKU®

Brak – a branch mutation of Fuji (Ralls Janet x Delicious) selected by Luis Braun on the farm of Mr. Miura of Hirosaki in the prefecture Aomori, Japan. This selection has been very carefully tested and selected over a long period in South Tyrol and at the research station Laimburg. This process has resulted in minimal reversion. The branding and marketing done by KIKU® Ltd. Is a recognized and extremely powerful programme.
